ІНСТИТУТ ім. Митрополита А. Шептицького

1236 College Drive, Saskatoon, SK S7N 0W4 (306) 653-1711

Located across the street from the U of S Campus and St. Thomas More College, Sheptytsky Institute is just minutes away from classrooms, libraries, swimming pool and other recreational activities.

As the only Ukrainian Catholic student residence in North America, Sheps provides a safe, caring community - a healthy environment for body, mind and spirit.

The philosophy is to provide an academic facility that reflects Christian values and ideals with respect to all activities, social and personal relationships.

Students who stay at Sheptytsky Institute will have the opportunity to

learn to live in an academic environment and to accept the responsibilities which are part of group living. We also want students to experience something unique in terms of Ukrainian culture and Eastern spirituality during their stay at the Institute.

Now is the time to register for residency for the 2003-2004 University winter term!

Student Representative Council

This last term of the school year has been quite an eventful time and, as always, stressful for students, but, still very enjoyable.

The caroling group. View more student activities at: www.sheps.ca/Student/Activities/activities.html

Recent resident activities have included: participation in a University league mixed hockey team - sadly not doing too well; house-to-house Ukrainian caroling in January - being very graciously welcomed into people's homes; a 'Shep's Dance' - that was a good time for all; a bake

sale in the tunnel on campus - that netted good proceeds from the sale of our tasty home-baked treats; and an Austin Power's movie and pizza night - "Yeah, Baby!"

Unfortunately, due to the lack of profit from the Shep's Dance, we were not able to raise enough money

and social activity before we hit the books studying for finals.

We would like to thank Sister Pat Lacey's parents in Regina who donated a shuffle board table. Many games have already been played on it. This donation is much appreciated by all.

We've learned from our

for our scheduled trip to Edmonton on March 15 and 16 to catch an Oilers game. We were forced to scratch the event to the disappointment of many. Next year we'll try harder to raise a few more dollars.

We are now in the process of planning a year end student awards night

experiences of working and socializing together as a group, organizing the dance, our hockey team and other activities. All in all, it has been a very interesting and enjoyable year and I am sure that we will be greatly saddened at the end of the April when we go our separate ways for the summer.
