Õðèñòîñ Âîñêðåñå!

By the time this issue of EN reaches your hands another group of residents from Sheps will be making plans to move on. Some will be graduating from University, some will be working hard for the summer to earn money for another year of school, and some will have changed career paths. We sincerely wish the best to everyone who has passed through our doors this past September to April.

The caroling group.

During these past eight months, over 50 people called Sheps “home”. They lived, studied and played together - many forming friendships that will last for years to come. Over the Christmas season we celebrated Rizdvo and Theophny and, once again took part in the ever popular house to house caroling! The students gratefully acknowledge the generous donations received!

Celebrate!

This coming July 2, 3 & 4 you are invited to celebrate Sheptytsky Institute as a co-ed residence for 25 years. In 1978, it was a drastic move made by the Board but, a change that has been a positive one. The fee for the weekend of events is $50, with other optional activities available. Please contact Dr. William Gulka, 382-0242 or Daysha Shuya, 761-1596, for more information. Details are also posted at sheps.ca. If you have materials that could be used in a display, give us a call! Please consider making a donation of $25 or larger to assist with the reunion even if you are unable to attend.

Etc....

- Sincere thanks to ***John & Mary Parsons*** of North Battleford for their recent donation of a piano to Sheptytsky Institute. Over the Christmas season, it’s location near the tree in the dining room provided just the right atmosphere for playing of Christmas tunes.
- Doing spring cleaning? We would gladly accept items which would be of use for our residents, such as: bookshelves, age appropriate games and puzzles, piano music....

See you in the fall!
