04-05 Rez Year

It's been an exiting time welcoming returning as well as first time residents for the new school year. At this time, we have 46 residents from BC to Ontario and abroad. We are all looking forward to a great year with this group of students. The SRC is coming together and activities are being planned for all residents. Watch for their report in the Christmas edition of EN.

Co-ed 25 Years

This year marks the 25th Anniversary of Sheptytsky Institute as a co-ed residence. Although the planned reunion events had to be scaled down due to lack of registrations, a sincere group gathered for a Moleben and fellowship. Donations were received to acknowledge this occasion. These friends have been listed on the web site.

Many Thanks To...

... **Dr. William Gulka** for donating the required supplies and his time in painting the chapel this summer.

... those who understand that we continue to provide

This year we received a grant from the **SK K of C Charitable Foundation**, a donation from **KC Charities - Lucky Horseshoe Bingo, Bishop Budka Council K of C**, as well as several individual donations. God Bless all donors as well as the hard working volunteers of the organizations.

In Brief....

- Coming soon! Bursaries for Ukrainian Catholic students residing at Sheptytsky Institute.
- This year, Divine Liturgies are scheduled for 4pm on Sundays. We are very grateful to the clergy who will be assisting us.
- A series of mounted Great Festal Icon prints have been purchased for the Chapel. These windows on Heaven will provide an excellent teaching tool for residents and visitors. Sponsorship is available at \$100 for each icon. If you are interested in making a donation towards this project, please contact the Institute.
