ІНСТИТУТ ім. Митрополита А. Шептицького

1236 College Drive, Saskatoon, SK S7N 0W4 (306) 653-1711

The 1st term of residency is almost over! Recapping resident activities, it's easy to see why time has passed so quickly.

This issue highlights some rez events. As a group, they have been busy with both academic and social activities.

On the last day of classes we celebrated with a party and turkey dinner, judged dorm room door decorations and closed off the evening with gingerbread house construction.

The focus now is on studying for exams. To help facilitate this, a 24 hour quiet time is in effect. Then, most students will head home to families for Christmas, returning to classes on January 6th.

On January 23, we will celebrate Theophany and, following the chapel service, a traditional Ukrainian Christmas meal will be enjoyed by all!

We are very excited about the recent improvements made in our Chapel of St. Andrew. In the last issue of EN we reported that Dr. William Gulka donated supplies and time to repaint the walls. This fall, he funded and arranged for altar cloths. Dobrodika Daria Stephaniuk, along with Paul and Doreen of Melfort, sewed the set.

Fr. Jeffrey Stephaniuk blessed the covers on Nov. 28. On Dec. 5, Fr. Myroslaw Tataryn blessed the new Festal icons. A reminder that these icons can be sponsored for a \$100 donation. Contact the Institute.

Parishes recently received a supply of the Alumni & Friends 2004 Newsletter. If

you have not received a copy, please call us.

This year marks the 60th anniversary of the passing into Heaven of our patron Metropolitan Andrey. We give thanks for all of our successes and we pray that he will guide us as we move ahead in our very important mission.

## Sheps Student Residence Council

It's another exciting year at Sheptytsky Institute and the SRC has organized group activities and fundraising ideas have gone into works.

So far, we have had a few events for the residents of Sheptytsky Institute. The first activity of the year was a bowling night, which about 30 residents participated in. It was a great opportunity for residents to meet with each other in a social environment. Everyone enjoyed themselves and we hope to have another bowling night later in the year.

We have also played U of S campus recreation hockey and volleyball. Before Halloween, a pumpkin-carving contest was held. There are future plans for movie nights, a trip to Edmonton and a dance for mid January. Pictures of these events and more are posted on the Sheptytsky

website - student center.

As for fundraising, chips and chocolate bars sold by volunteers in the building has begun. Sales have been going well, and we look forward to continued success. Recycling bins bring in some extra money too. We hope to keep up the enthusiasm and successes.

The Sheptytsky SRC has come together well and we hope to continue expanding interest and planning activities for everyone to participate.
