Христос Воскрес! Воістину Воскрес!

At the time of preparing this article for print, students are in their last few days of exams. Tensions run high in anticipation of getting on with a much needed summer break!

During these past eight months, 51 people called Sheps 'home'. They lived, studied, prayed and played together - many forming friendships that will last for years to come. Sincere good wishes are extended to those who are now moving on. We also look forward to welcoming our returning, as well as many new residents in September.

Have a safe, sunny summer - see you in the fall.

From our 2005 traditional Easter celebration.

**For information on residence,
or to arrange a tour, call us at:
306-653-1711. Visit soon!**

Theophany and Blessing of the Water Liturgical service celebrated by our Chaplain Fr. Andre Lalach, January 2006. This special observance was followed by a traditional Ukrainian Christmas supper for all residents.
