

# Sheptytsky Institute

## ІНСТИТУТ ім. Митрополита А. Шептицького

1236 College Drive, Saskatoon, SK S7N 0W4 (306) 653-1711

At the time of preparing this article for print, students are in their last few days of exams. Tensions run high in anticipation of getting on with a much needed summer break!

During these past eight months, 47 people called Sheps 'home'. They lived, studied, prayed and played together - many forming friendships that will last for years to come.

Over the Christmas season, we celebrated Rizdvo and Theophany and, once again took part in the ever popular caroling! You can hear a sound clip on the 04-05 photo section of the Student Centre web page. The students gratefully acknowledge the donations received! SRC funds are used for such things as sponsorship of group social activities, like bowling, movie night and t-shirts. (Watch your area for the white and blue shirts emblazoned with a tryzub on the front!) More recently, residents were given the opportunity to write pysanky and we shared in traditional Paschal foods. A steak barbeque closed off the school year just before exams began and the 24-hr quiet study time came into effect.

**View more student activities by following Student Centre links at sheps.ca**

To date, 75 accommodation applications have been received for the 2005-06 University term. Because we are not able to meet all of these requests, a waiting list exists. It is important to remember to get applications in early!

With this term coming to an end, we bid farewell to our Chaplain, Fr. Myroslaw Tataryn who is moving on to St. Jerome's University. Fr. Myroslaw has been Chaplain for the Institute since September 1998. Although during the past months other commitments have reduced his time here, his support continues. For this we are very grateful. We wish Fr. Myroslaw and his family well in Waterloo!

A sincere thank you is extended to all who have supported Sheptytsky Institute this year: our Eparch, the MSSS Board, visiting Clergy who have celebrated Divine Liturgies for the residents, parishes who advertise our residence in their bulletins, volunteers, alumni and friends, financial supporters, and especially those who have the faith to call Sheps 'home'!

*See you in the fall!*  
S. Baran, General Manager
